
NOBLE MINISTRIES

"Building People from the Inside Out"

Welcome to Noble Ministries! We commend you for pursuing growth and healing for yourself. Over the last thirteen years we have seen miraculous transformation in lives and relationships. Prayer ministry is all about having a mind renewing encounter with the living Lord Jesus -- He is well able to set people free!

To reach this goal, we use an intentional prayer approach through which the Spirit of Christ helps individuals discover the root causes of their emotional pain and then brings resolution and healing.

Our methods do not use a traditional counseling model where the counselor makes an evaluation and suggests possible causes and treatments for a person's problems. Instead, we use various **prayer counseling** techniques.

Please print out and complete the attached forms and return them to us, OR you can access & download these forms on our website: <http://noblemin.com/forms/>. We will contact you to schedule a first appointment after we review your forms and determine that we can effectively help you. *Please Note: we are often booking one month or more in advance.*

We look forward to assisting you in your healing journey!
